

Central Virginia Post Society of American Military Engineers

SAME Central Virginia Post (CVP) is offering sponsorships for up to two (2) high school students to attend the following STEM Engineering & Construction Camps:

- **U.S. Marine Corps Camp** at Camp Lejeune-Jacksonville, NC; or
- **U.S. Air Force Camp**, at either the USAF Academy in Colorado Springs, CO; or at Scott AFB in Belleville, IL.

These programs provide hands-on experience in engineering and construction activities led by a professional staff of engineers from both private industry and the military services with an exposure to the various career choices in the fields of engineering and construction.

The CVP sponsorship will cover half of the registration cost and all transportation costs to attend a camp up to a total sponsorship of \$800 (one sponsorship to each camp).
